Community

**Subject: 2002 Registration &  
Volunteer Opportunities**

Welcome to Northwest Oaks' 2002 Registration! This year's registration promises to provide another successful season, preceded by incomparable accomplishments for our Club during the 2001 season. The registration process and three scheduled dates have been carefully selected by the members of our Board to insure that everyone not only has a chance to participate in soccer, but also contribute as a volunteer. Volunteers make a tremendous difference to the Club's ability to meet the needs of players, coaches, and referees. We will be staffing a Volunteer Table during Registration to insure that everyone has a chance to contribute time and energy to this important program for our children and community.

In my second year as Northwest Oaks' Registrar, I would like to mentor two assistants to participate in some of the following important activities:

*Assist in organizing registrations*

*Respond to Soccer Telephone Messages*

*Maintain Registration Files*

*Coordinate Class III Teams*

*Coordinate Class IV Teams*

Please contact me at our Club's e-mail address, [registrar@northwestoakssoccer.org](mailto:registrar@northwestoakssoccer.org) in advance of our first registration on April 24 to volunteer in any of these Registrar capacities.

Thank you, Mike Adams
