## *Presidents Message*

Greetings,

North West Oaks had a great season last year with about 1100 kids playing for our club. As we have for the last several years our Class IV teams had a great showing in City Cup with quite a few teams taking home trophies. Our club also had a number of Division winners and one of our U14 G Class IV teams (Tenacity) went on to win the "Tide American Cup State Championship". Our "B" teams also had a great year with several of them still looking forward to their Associate Cup Tournament. We wish them well.

None of this would have been possible without the fantastic volunteers that we have coaching our teams and referring our games. The coaches and referees are the backbone of our club and their dedication and hard work provide our kids with the rich experience they all enjoy in participating in youth soccer.

As we begin preparing for our upcoming season, I would like to take this opportunity to thank all of departing board members for all their hard work. Mike Roberts, Bob Silva, Kathy Alvestal, Joni Jones, Jay Mosley, Whitney Olson and Darcy Proctor have all resigned from their positions on the board after many years of dedicated service. What makes any club great is the hard work and commitment of its members. Our club has certainly been fortunate to have these individuals serve on our board. Their hard work and dedication has helped create the outstanding club your kids are playing for and they will be greatly missed.

On a positive note we have had a number of new folks join the Board. New this year are, Kim August, Jim & Mia Barlett, Tanya Harlin. Mike Hernandez, Nick Mobley, John Pell and Brigitte Rocca. We are all looking forward to great things from this new board and I am sure they will not disappoint us.

Remember this is your club. Ownership flows from participation and from whatever you can do to help the club becomes part of the experience you and your kids will have in playing soccer. We are always looking for coaches and referees. You don't have to be a soccer expert to volunteer. All you have to do is take the time to spend with our kids, believe me, it will be one of the most rewarding experiences you will ever have in your life.

***THANKS TO OUR REFEREES!***  
*(for everyone to read, not just referees)*

I would like to give a big thanks to all our wonderful referees this past 2001 season. I know it is not always an easy job, but you rose to the occasion and have given our many youth players a chance to play the game. Many of you went way out of your way to assist me in getting the games covered. I know at times you may feel like quitting, but remember all those good games you had, where many of the parents, coaches and players thanked you for being there. The good games very much outweigh those bad games.

In the future we on the NOYSC board would like to work on ways that we can improve the relationship between referees and coaches/players/spectators. Due to the sometimes strained relationships, we lose many of our youth referees, which is where our future lies. I would hope everyone could remember to respect others not only in the game of soccer, but in your everyday lives, it goes a long way.

We had a great bunch of new referees this year, and in my opinion they were some of the best I've seen, except for my rookie year (hee-hee!). I would hope that most of you will continue with the program for the years to come.

Thanks again for the great year! I've talked to many, many coaches and parents who have approached me to give all of you a great big thanks.

Richard Vives – NOYSC Referee Coordinator
