Looking for new board members

We are currently short handed on our club board and some of our board members are not returning next season. There are several positions available. We meet the fourth Monday of every month and our meetings last about two hours. If you are interested then please contact the club phone number, a fellow board member or just attend our next meeting.

Happy Holidays to All!

Congratulations to all of the players, coaches, board members, referees and parents for another successful soccer season. Thank you for giving it your all to make a great soccer season.

There were several challenges this season and I'd like to take this opportunity to thank our board for their perseverance as we worked the many varied challenges we faced this season.

The season is almost at its end and the holidays will be upon us soon. I'd like to wish everyone and their friends and families happy holidays and I look forward to seeing you out on the soccer field next season.

The last day of games will be November 20th for all recreational players. Make-up games for rainouts are only for U10 and up. Your AGC will notify you of any play-off games if required.

Pictures are done and will be received by the coaches when they turn in the teams' uniforms and player evaluations.

Coaches Notes

Reminder, you need to carry your player registration forms to EVERY practice, game or any CYSA sanctioned event for medical consent purposes (treatment of minors).

All U6 and U8 players receive participation trophies. U10 and up receive trophies if their team is in the top of their flight based on SRYSL rules.

This year the board is asking you to evaluate all of your players with a simple evaluation method to help ensure parity amongst the teams in 2006. Your AGC will provide you with more information soon.

Your team will receive your pictures ONLY after you turn in your team's uniforms and player evaluations to your AGC.

Don't forget to have an end of the year team party to celebrate your season!

Volunteer! Volunteer! Volunteer!

Did you know North West Oaks is run solely by dedicated parents who give their time to ensure our kids are having a fun, valuable soccer experience? We are in dire need of more of these individuals. Some of our teams are larger this year due to lack of coaches. We will also be looking for people to volunteer for board positions and coaches for next year. Any commitment you can give would be greatly appreciated.

Please call our hot line at 526-3804.

The children thank you
